

Policy Statement

Greyhound Transport (Midlands) Ltd is committed to a policy of effectively managing environmental performance in order to minimize the impact of our business processes on the natural environment and the community at large. This commitment extends to all Business workplace, employees and others affected by our operations.

Our objective is to integrate the assessment, management and control of environmental issues into the management of our business. We will:-

- Assess the environmental impact of our operations during planning, design and implementation phases so as to prevent pollution of the external environment.
- Ensure compliance with all relevant environmental legislation as a minimum and, where practical, and other requirements such as those specified by our clients.
- Develop and implement objectives and targets to ensure a continual improvement in our environmental performance.
- Adopt a risk based approach to providing appropriate training in environmental issues for our employees according to their role, work they undertake and their environmental responsibilities.

Greyhound Transport management is responsible for the implementation of this Policy statement and for ensuring environmental risks are assessed and appropriate management controls are implemented in accordance with Greyhound Transport standards.

This policy statement will be prominently displayed at our workplace and made available to the public and other interested parties upon request.
